

RTAPE GRAPHIC TAPES

## Quality and performance in an affordably priced application tape.

ApliTape™ is the original RTape application tape. It has all of the great features of RTape's popular Conform® series, but without the RLA® Release Liner Adhesion additive. Available in standard and heavyweight paper grades, in a variety of tack levels.

### 4000 Low Tack

Standard grade saturated paper premask, coated with a low tack rubber adhesive.

### 4050 Medium Tack

Standard grade saturated paper application tape, coated with a medium tack rubber adhesive.

### 4075 High Tack

Standard grade saturated paper application tape, coated with a high tack rubber adhesive.

#### Applications

- General Purpose Sign Applications
- Screen Printing
- Digital Printing

#### Product Information

- Factory cut, razor slit rolls
- Rubber adhesive
- Available in a variety of tack levels
- No adhesive build-up on stored graphics
- Works in either wet or dry applications
- No adhesive balls, gapping between layers or crushed edges
